BERLIN FASHION FILM FESTIVAL 2013

The Berlin *fashion* Film Festival 2013 programme is a heavily curated selection of international fashion films featuring established brands like Prada and Givenchy as well as upcoming names such as Julian Zigerli and Mads Dinesen.

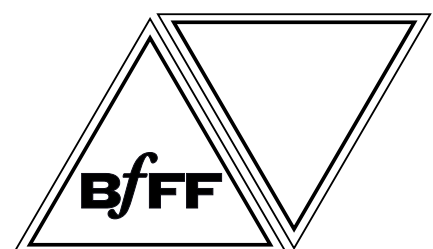

This edition set new standards within the Fashion Film genre, becoming the point of reference for aficionados of the advertising, film and fashion industries.

“...one of the most important events of Berlin Fashion Week” - Vogue.it

“...todo un panel de expertos unidos para seleccionar a las películas” - El Pais

“...a unique way to showcase the clothes, free from limitations” -The Independent
